**Genre** Thriller

**Logline** Female Top Gun Pilot Gong Zhu is abducted from China and smuggled to the Middle-East. Her military training helps her to escape and free the other captives.

**Self-Made Woman...** Raised by a single father who died when she was in her teens, Gong Zhu had only her self-determination to escape the trailer park to become a success.

**Better than any man...** The military taught her to fly. She taught herself to be the best pilot. When her squadron receives the latest fighter, she graduates training as number one in the squadron.

**Loses her freedom ...** En route to a celebratory dinner, Gong Zhu is kidnapped. She awakens in a foreign land, to be sold as a slave to a foreign potentate. It seems an impossibility to return to her life.

**Refuses to be broken...** Out-manned and out-gunned, Gong Zhu uses her wits to strategize an escape from her dilemma. She gets free, via one of her captor's F-16's.

**Regains her freedom...** And, empowered after escaping, she returns with a military team to put her captors to death and free the other captives.
